Gordon C. MacDougall

This year's Annual Report is dedicated to Gordon C. (Bud) MacDougall. Bud was born in East Hebron in 1914 at the family homestead on Cooper Road, which is currently occupied by the Alward Family. His education started at the one-room Schoolhouse on Mayhew Turnpike in East Hebron. His family moved Bud to Bristol at an early age, but his ties with Hebron remained strong. During his 35-plus years working as a building contractor, he worked at the Hillside Inn during the depression and would later do major additions and remodeling at the Inn. Retiring to Hebron in 1986, he joined the Hebron Historical Society as a charter member. Many residents of Hebron enjoy his recollections of the history and family stories of the town. Bud is often seen at local summer events driving a green 1929 Model A Ford. His friendly, outgoing charm and "zest for life" make us proud to honor him in the 2007 Hebron Town Report.

2007 TOWN WARRANT

To the inhabitants of the Town of Hebron, in Grafton County, in the State of New Hampshire, who are qualified to vote in Town affairs:

You are hereby notified to meet at the Public Safety Building in Hebron on Tuesday the 13th of March, 2007 next, at 11:00 a.m. to act upon the subjects shown below.

- ARTICLE 1. To choose all Town Offices for the ensuing year by official ballot, and to vote by official ballot on the proposed amendments submitted by the Hebron Planning Board as Articles 2 through Article 8 and the Library Trustees as Article 9. The polls will open at 11:00 a.m. and close at 7:00 p.m., and the business meeting will commence at 7:00 p.m. on Article 10 and following:
- ARTICLE 2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Hebron Planning Board for the town zoning ordinance as follows: To insert new definitions of "Impervious Surface," "Lot Coverage," "Steep Slope," "Setback," and to modify definitions of "Lot" and "Usable Land"?
- ARTICLE 3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Hebron Planning Board for the town zoning ordinance as follows: To amend the first sentence of Article IV, H to clarify the language establishing the setback of structures from highways and from property boundaries – the amount of the setbacks is not changed.
- ARTICLE 4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Hebron Planning Board for the town zoning ordinance as follows: To amend Article IV, H by adding a new section: "Lot Coverage: The Lot Coverage of any residential lot shall not exceed thirty percent (30%) of the Lot, with the remaining area devoted to landscaping or natural vegetation. Cluster developments shall meet all Lot Coverage requirements."
- ARTICLE 5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Hebron Planning Board for the town zoning ordinance as follows: To amend Article IV, S - Floodplain District Ordinance - to comply with State requirements?
- ARTICLE 6. Are you in favor of the adoption of Amendment No. 5 as proposed by the Hebron Planning Board for the town zoning ordinance as follows: To amend Article VI, B, 3 to modify the requirements applicable to the creation of Waterfront Rights-of-Way that allow access to Newfound Lake and Spectacle Pond, to prevent overcrowding and to protect the shoreline and quality of water?
- ARTICLE 7. Are you in favor of the adoption of Amendment No. 6 as proposed by the Hebron Planning Board for the town zoning ordinance as follows: To delete Article VII, B, 5, b and re-letter the paragraphs that follow it,

so as to increase the minimum lot size for a single commercial use in the Rural District to 2 acres of Useable Land from the current minimum size of 30,000 square feet?

ARTICLE 8. Are you in favor of the adoption of Amendment No. 7 as proposed by the Hebron Planning Board for the town zoning ordinance as follows: To amend Article VII, B, 8 to require that permits for sand and gravel excavations for commercial purposes shall be obtained from the Planning Board instead of the Board of Selectmen?

ARTICLE 9. Shall we permit the public library to retain all money it receives from its income-generating activities to be used for general repairs and upgrading and for the purchase of books, supplies and income-generating equipment?

ARTICLE 10. To see if the town will raise and appropriate the sum of Nine Hundred Fifty Thousand Dollars (\$950,000) to replace the one lane bridge over the Cockermouth River on Braley Road. The Town portion is 20% or One Hundred Ninety Thousand Dollars (\$190,000) to be taken from the capital reserve fund entitled "Cockermouth/George Brook." The balance, Seven Hundred Sixty Thousand Dollars (\$760,000), to come from the NHDOT "Bridge Aid Program."

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of Fifteen Thousand Five Hundred Dollars (\$15,500) to construct a culvert on George Road just west of Ron Johns Driveway. (This is a two-year non-lapsing article) (Recommended by the Selectmen)

ARTICLE 12. To see if the town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well-being of the people of Hebron. (Submitted by Petition)

ARTICLE 13. To see if the Town of Hebron, New Hampshire will vote to allow target shooting on properties in compact zones in Hebron, New Hampshire if the Hebron Police Chief determines that the shooting range area is safe to the surrounding area. (Submitted by Petition)

ARTICLE 14. To see if the town will vote to establish a Capital Reserve Fund entitled "Gate for Beach Fund" in accordance with RSA 35:1, for the purpose of erecting a gate on the road to the Hebron Beach, with the Beach Committee as agents to expend monies in said fund, and to raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500) to open the fund. (Proposed by the Beach Committee) (Recommended by the Selectmen)

ARTICLE 15. To see if the Town will vote to authorize 100% of Land Use Funds received to be deposited into the Conservation Fund to an aggregate maximum amount of \$100,000. Any amount exceeding \$100,000 would have to be authorized by vote at a Town Meeting. (Proposed by the Conservation Commission)

- ARTICLE 16. To see if the town will vote to increase the membership of the Conservation Commission from three (3) to five (5) regular members in accordance with RSA 36-A:3.
- ARTICLE 17. To see if the town will vote to rescind Article 8 in the 1999 Town Report (Establishing an Assessment/Reassessment Capital Reserve Fund) as the fund was never opened nor funded and needs to be removed from the records.
- ARTICLE 18. To see if the town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000) to repair the Land Use Building cupola. This will include repairing items or replacing items as the need may be, and either paint or cement board finish. Funds to be taken from the Government Building Repair Fund. (This is a two-year non-lapsing article) (Recommended by the Selectmen)
- ARTICLE 19. To see if the town will vote to discontinue the capital reserve fund entitled "Tax Mapping" and to transfer the balance (\$8.77 plus accrued interest) of the fund to the general fund.
- ARTICLE 20. To see if the town will vote to discontinue the capital reserve fund entitled "Hobart Hill Rd" and to transfer the balance \$157.73 plus accrued interest) of the fund to the general fund.
- ARTICLE 21. To see if the town will vote to accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year? (Submitted by the Library Trustees)
- ARTICLE 22. To see if the town will vote to accept the provisions of RSA 202-A:4-d providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose. (Submitted by the library trustees)
- ARTICLE 23. To see if the town will vote to raise and appropriate the sum of Thirteen Thousand Dollars (\$13,000) to construct an open-air pavilion at the Town Beach. (This is a two-year non-lapsing article). (Proposed by the Beach Committee) (Recommended by the Selectmen)
- ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty-seven Thousand Dollars (\$127,000) to be added to the following capital reserve funds:

Ambulance	25,000
Bridges	23,000
Communications	2,000
Fire	20,000

Highway	20,000
Town Hall	25,000
Police	6,000
Highway Shed	1,000
Government Building Repair Fund	5,000
(Recommended by the Selectmen)	

- ARTICLE 25. To see if the town will vote to raise and appropriate the sum of Twelve Thousand Two Hundred Fifty Dollars (\$12,250) to provide programming in the Gazebo. \$5,447.33 to be raised by taxes, \$4,302.67 from Fund Balance, and \$2,500 from donations and grants. Said funds to be administered by the coordinators.
- ARTICLE 26. To see if the town will vote to raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500) to provide on call service for the police department at the rate of \$1.50 per hour.
- ARTICLE 27. To see if the town will vote to raise and appropriate the sum of One Million One Hundred Fifty-Nine Thousand One Hundred Five Dollars (\$1,159,105) to defray charges for the ensuing year. This article EXCLUDES all previous articles.
- ARTICLE 28. To transact any other business that may legally come before the meeting.

Given under our hands and seals this 15th day of February, 2007

Hebron Board of Selectmen
John W. Matthews, Chairman
Richard T. Cown
John W. Dunklee

**TOWN OF HEBRON, NH
TOWN MEETING MINUTES
MARCH 14, 2006**

The meeting was called to order by the moderator, Everett N. Begor, at 7 p.m. Following the Salute to the Flag, the moderator read and explained the rules of the meeting and then introduced the selectmen and election officials. Selectman John Matthews then explained the affect on the tax rate if all the warrant articles were approved as presented in the warrant.

(Note: The original wording of articles are in *italics*, amendments are in *italics* and **bold**, results are in **bold**.)

Article 1: *To choose all Town Officers for the ensuing year by official ballot. The polls will open at 11:00 a.m. and close at 9:00 p.m., and the business meeting will commence at 7:00 p.m.*

The results of voting for town officials, zoning ordinance amendments, school district officers and school district warrant articles are recorded separately.

Article 2: *Selectman John Matthews moved and Chuck Beno seconded the motion to see if the town will vote to raise and appropriate the sum of One Million Five Hundred Thousand Dollars (\$1,500,000) to purchase the Alan and Anne Esty parcel on Groton Road comprising approximately 450 acres, and to authorize the issuance of not more than One Million Five Hundred Thousand Dollars (\$1,500,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act, RSA Chapter 33: further, to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest and other items of such borrowing. Also, to authorize the Selectmen to apply for, accept, and expend any monies that may be available for this purpose from grants, bequeaths, donations, and any other public or private source, with such, amounts being applied to reduce the amount of bonds or notes. (Recommended by the Selectmen) (2/3 ballot vote required, with balloting to be open for one hour after the conclusion of debate).* Selectman John Matthews spoke to the motion explaining the intent for the property is to have a town forest and recreational area with a conservation easement held by the Society for the Protection of NH Forests (SPNHF). The property abuts two parcels currently owned by SPNHF and 1,600 acres of conservation land. Selectman Matthews discussed how financing would affect the tax rate. A Power Point presentation illustrating the bond payment schedule of town debt including the Esty parcel was presented. The SPNHF is projecting \$500,000 in donations will be received towards the purchase of the property. Selectman Matthews explained any lumbering done on the property would be selective cutting to maintain the health of the forest and a forest management plan for the property would be prepared. General discussion was in favor of the article. The moderator explained the balloting procedure. The polls were open for one hour.

7:30 p.m. – Polls open; 8:44 p.m. – The results of the balloting were read. A total of 141 ballots were cast.

The article passed by ballot vote with a 92% majority; Ballots: 129 – Yes, 11 – No, 1 ballot discounted.

Article 3: *Selectman Ron Collins moved and Bruce Barnard seconded the motion to see if the town will vote to authorize the Selectmen to expend the remainder of the Capital Reserve Fund entitled “Cockermouth/ George Brook Bridges” as needed to fund the construction of the new bridge on Braley Road. Selectman Ron Collins spoke to the motion. The town is currently working*

with the State of New Hampshire to replace the bridge on Braley Road. The projected cost of the project is \$800,000 with approximately \$160,000 as the town’s portion. Currently there is \$81,000 in the capital reserve account. No discussion occurred.

The article passed by voice vote.

Article 4: *Selectman Richard Cowern moved and Selectman Ron Collins seconded the motion to see if the town will vote to raise and appropriate the sum of One Hundred Twelve Thousand Dollars (\$112,000) to be added to the following capital reserve funds:*

Ambulance	\$20,000
Bridges	28,000
Communications	2,000
Fire	12,000
Highway	12,000
Town Hall	20,000
Police	6,000
Highway Shed	1,000
Emergency Contingency Fund	1,000
Government Bldg Repair Fund	10,000
<i>(Recommended by the Selectmen)</i>	

Selectman Richard Cowern spoke to the motion. *John Fischer made an amendment, seconded by Bruce Barnard to increase the amount from \$112,000 to \$130,000 by raising the fire capital reserve fund addition from \$12,000 to \$25,000 and the highway capital reserve fund addition from \$12,000 to \$17,000.* John Fischer spoke to the fire capital reserve increase. The fire department is planning to replace the Dodge forestry pickup truck in a few years. Bruce Barnard spoke to the highway capital reserve increase. The highway department would like to replace the 1954 grader as parts are no longer available. Selectman Richard Cowern explained the purpose of the communications capital reserve fund was for the replacement of obsolete radios and equipment. **The amendment to increase the fire capital reserve fund from \$12,000 to \$25,000 and the highway capital reserve fund from \$12,000 to \$17,000 passed by voice vote.** The amended amount to contribute to the capital reserve funds is \$130,000.

The article as amended passed by voice vote.

Article 5: *Selectman Richard Cowern moved and Ed Gempka seconded the motion to see if the town will vote to raise and appropriate the sum of Twenty-Eight Thousand Five Hundred Dollars (\$28,500) to purchase a police cruiser complete with radio and lights. Also to authorize the Selectmen to withdraw the \$28,500 from the Capital Reserve Fund entitled “Police” for this purpose.* Selectman Richard Cowern deferred to Police Chief William White for an explanation. Chief White explained there is a greater need for a new cruiser due to increased patrol. He further explained the article is for the vehicle only as a grant has been applied for to equip the cruiser. A concern mentioned was the cost to maintain two cruisers.

The article passed by voice vote.

Article 6: *Selectman John Matthews moved and Jane Ramsay seconded the motion to see if the town will vote to raise and appropriate the sum of Ten Thousand Nine Hundred Fifty Dollars (\$10,950) for the Gazebo Program. \$4,607 to be raised by taxes, \$2,500 from donations and grants, and \$3,843 from the town’s unexpended fund balance as of December 31, 2005.* Selectman John Matthews spoke to the motion and explained how gross budgeting affects this article.

Jane Ramsay, gazebo program coordinator, presented the entertainment program for 2006.

The article passed by voice vote.

Article 7: *Selectman Ron Collins moved and Linda Fischer seconded the motion to see if the town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to repair the existing fence at the cemetery. Three Thousand Dollars (\$3,000) to be raised by taxes and Three Thousand Dollars (\$3,000) to be taken from the trust fund entitled "Cemetery Common Trust 3". This is a two-year non-lapsing article.* Selectman Ron Collins spoke to the motion explaining the article is for repairing the existing fence and gate and not for extending the fence behind the Hebron Village store. The selectmen have received a couple of quotes.

The article passed by voice vote.

Article 8: *Selectman Richard Cowern moved and Bruce Barnard seconded the motion to see if the town will vote to raise and appropriate the sum of Seven Thousand Dollars (\$7,000) to construct a new culvert on George Road just Westerly of Cilley Road.* Selectman Richard Cowern deferred to highway supervisor Bruce Barnard for explanation. The culvert inlet is an old stone culvert and the outlet is aluminum. The proposed new culvert is an oval shape to allow for flowage. Two trees on the inlet side need to be cut. Questions asked were excess traffic a part of the wear and tear on the culvert and the consequence of water backup. Bruce Barnard explained the culvert is worn and can't handle the flow. The culvert overflowing causes road damage and sediment goes downstream.

The article passed by voice vote.

Article 9: *Selectman Richard Cowern moved and David Wall seconded the motion to see if the town will vote to raise and appropriate the sum of Thirty-Five Thousand Dollars (\$35,000) from the town's unexpended fund balance as of December 31, 2005 to reconstruct and pave all of Merrill Road, with no amount to be raised by taxation. This is a two-year non-lapsing article.* Selectman Richard Cowern spoke to the motion. This article is by petition. The road needs to be rebuilt and site distance increased. Concerns voiced were Merrill Road is across from Newfound Lake and would there be an increase in runoff into the lake due to an asphalt road and have any studies been completed. Highway supervisor Bruce Barnard stated he prefers paving and dust is decreased.

The article passed by voice vote.

Article 10: *Selectman Ron Collins moved and Bruce Barnard seconded the motion to see if the Town will vote to establish a Capital Reserve Fund entitled "Bog/George Brook Hydrological fund," in accordance with RSA 35:1, for the purpose of flood control due to beaver dams, with the selectmen as agents to expend monies in said fund, and to raise and appropriate the sum of Two Thousand dollars (\$2,000) to open the fund.* Selectman Ron Collins spoke to the motion. Beavers have created a pond area near Dick Merrill's property on George Road, near the headwaters of Bog Brook. This study will help determine the ramifications of a large beaver Pond. Bruce Barnard stated eight to ten landowners could be affected. Holden Engineering has been contacted. Question asked is this a potential hazard to losing a road. Selectman Ron Collins stated yes.

The article passed by voice vote.

Article 11: *Selectman John Matthews moved and Chuck Beno seconded the motion to see if the Town will vote to accept the provisions of RSA Chapter 36-A regarding Conservation Commissions to establish a conservation fund for the proper utilization and protection of the natural resources and for the protection of the watershed resources of the town and to raise and appropriate the sum of Five*

Hundred Dollars (\$500) for this purpose to open a conservation fund account with the Conservation Commission as the agents.

Selectman John Matthews spoke to the motion and explained the penalty for removing land from Current Use taxation. This article establishes a fund for receiving land use change penalties. Selectman Matthews further explained why this fund is necessary.

The article passed by voice vote.

Article 12: *Selectman John Matthews moved and John Dunklee seconded the motion to see if the town will vote to adopt the provisions of RSA 79-A:25-a to account for revenues received from the Land Use Change Tax in a fund separate from the general fund. Any surplus remaining in the land use change tax fund shall not be part of the general fund until such time as the legislative body shall have had the opportunity at an annual meeting to vote to appropriate a specific amount from the land use change tax fund for any purpose not prohibited by the laws or by the constitution of this state. After an annual meeting any unappropriated balance of the land use change tax revenue received during the prior year shall be recognized as general fund revenue for the current year. Majority ballot vote required.* Selectman John Matthews spoke to the motion. The purpose of the fund is to retain any land use change tax for up to one year for the legislative body to vote at a town meeting where to allocate the funds. If the legislative body does not take action the funds would lapse into the general fund. This article establishes the legal manner to establish the fund. Questions asked were does the money go into the conservation fund and is a warrant article necessary at a town meeting to remove monies from the fund. The selectmen feel the legislative body should have the power to decide where the monies are expended and the land use change tax should be deposited into this fund. Selectman Ron Collins asked to move the question. Vote to move the question passed by voice vote.

9:22 p.m. – Polls open and the results of the balloting were read to the audience. A total of 88 ballots were cast.

The article passed by ballot vote; Ballots: 85 – Yes, 3 – No.

Article 13: *Selectman John Matthews moved and Jennifer Larochelle seconded the motion to see if the town will vote to place the whole amount (100%) of all future payments collected as Land Use Change Taxes pursuant to RSA Chapter 79-A in the Conservation Commission fund established under Article 11. The provisions of this article will take effect on April 1, 2007 and shall remain in effect until altered or rescinded pursuant to RSA 79-A:25, IV.* Selectman John Matthews spoke to the motion. The selectmen recommend this article be voted down. Selectman John Matthews explained this article is not necessary as Article 12 passed. It was further explained to expend monies from a conservation fund a public hearing is required.

The article was defeated by voice vote.

Article 14: *Selectman Ron Collins moved and Nancy Sycamore seconded the motion to see if the town will vote to accept the provisions of RSA Chapter 673:1 regarding Heritage Commissions, and to establish such a Heritage Commission for the proper utilization, use, and protection of the resources, tangible or intangible, that are valued for their historic, cultural, aesthetic, or community significance within their natural contexts. Also, to raise and appropriate the sum of Five Hundred dollars (\$500) for this purpose to open a heritage commission fund account. The commission shall consist of 5 full members and 3 alternate members who shall be residents of Hebron appointed by the Board of Selectmen. After initial terms of office that are staggered pursuant to RSA 673:5, the members of the commission shall serve terms of 3 years. The historic district commission may assume the duties of the heritage commission as per RSA 674:46-a.* Selectman Ron Collins

spoke to the motion. The town has spent considerable time in preserving historic documents. A Heritage Commission would work with the Historical Society to preserve items that private organizations cannot preserve. ***Bruce Barnard made an amendment seconded by Roger Larochelle to change RSA 673:5 to RSA 673:4-a and delete the last line of the article wording. The amendment to change RSA 673:5 to RSA 673:4-a passed by voice vote.***

The article as amended passed by voice vote.

Article 15: Selectman Richard Cowern moved and Ed Gempka seconded the motion to see if the town will vote to raise and appropriate the sum of One Million Ninety-one Thousand Eight Hundred Eighty-six Dollars (\$1,091,886) to defray the charges for the ensuing year. This article EXCLUDES all previous articles. Selectman Richard Cowern deferred to Selectman John Matthews. Selectman John Matthews moved to amend the selectmen's budget line item for subcontractors by adding eight thousand dollars (\$8,000) for the purpose of hiring MRI of Meredith, or a suitable substitute if deemed advisable, to bring the town into compliance with GASB 34 (Government Accounting Standards Bulletin #34). Selectman John Matthews spoke to the amendment explaining the town's ability to borrow monies may be hindered if the town is not in compliance with GASB34. The amendment to amend the selectmen's budget line item for subcontractors by adding eight thousand dollars (\$8,000) for the purpose of hiring MRI of Meredith, or a suitable substitute if deemed advisable, to bring the town into compliance with GASB 34 (Government Accounting Standards Bulletin #34) passed by voice vote. Selectman Richard Cowern spoke to the article as amended. The total article is \$1,099,886.

The article as amended passed by voice vote.

Jennifer Larochelle moved and Ed Gempka seconded the motion to adjourn the business portion of the meeting at 10:17 p.m.

A true copy of action taken at the Hebron Town Meeting on March 14, 2006.

Tracey Steenbergen
Town Clerk

HEBRON PLANNING BOARD

2006 Report to the Town of Hebron

If the number of meetings is any indicator, then the Hebron Planning Board was busier than ever in 2006. Fortunately, most of that time was invested in bringing our ordinances and regulations in synch with the revised Master Plan approved by the Planning Board in 2005.

The Planning Board spent much of the first half of the year working on 16 amendments to the Hebron Zoning Ordinance, which the Town approved by a super-majority during a Special Town Meeting held in June. The biggest change to zoning was getting away from a complicated soils-slopes formula for lot size calculations by using a formula based on Usable Land, which is all land that is not road, wetlands, right-of-way, or greater than 25% slope.

Meanwhile, workshops were held to revise the Subdivision Regulations, Site Plan, Rules of Procedure, and Excavation Permitting, all of which will be addressed during public hearings in 2007. We also held a joint workshop with the Planning Boards of Bridgewater and Plymouth to discuss road standards and potential development on Class VI roads.

Regarding the regular Planning Board business, Convex received final approval for a 5-lot subdivision, David Jaques received approval for a two-lot subdivision at the intersection of North Shore Road and George Road, and Juli Prudden received Site Plan approval for a Bed and Breakfast called 6 Chimneys and a Dream.

The Planning Board continues to hold hearings the first Wednesday of each month, and workshops on the third Wednesday. Your input is appreciated and we welcome you to contact us with your concerns and suggestions.

The dedication, thoughtfulness, and professionalism of the Hebron Planning Board are outstanding. We are most fortunate to have Ellie Lonske as vice-chair, Dick Covern as Selectmen's Representative, Curt Mooney and David Wall as regular members, and Chuck Beno, Martha Twombly, and Thomas Gump as alternates. We thank our secretary, Sheila Oranch, and retired members Doug McQuilken, and Phil Twombly for their service.

Roger Larochelle
Chair

For Year Ending December 31, 2006

HEBRON CONSERVATION REPORT FOR 2006

Most of the Commission's time was consumed with the "Town Forest" (Esty Parcel): its purchase, development rights easement, trails, areas for recreation in the fields, creating a natural inventory, and timber harvesting schedules. As of this report (1/20/07), the purchase of development rights has not been completed as the Selectmen are continuing negotiations with S.P.N.H.F. The "Large Wetlands" Inventory reference book has been reproduced with copies available for use at the Selectmen's Office, the Town Clerk/Tax Collector Office, and the Land Use Conference Room.

2007 will be another busy year with the following major topics:

- (1) A comprehensive wetlands ordinance (requested by the Planning Board for zoning changes in 2008)
- (2) Visiting the three areas that are under the Conservation Commission's wing (see 2006 report)
- (3) Completing further work on the Town Forest

Respectively Submitted,
Hebron Conservation Commission

Bruce Barnard, Chairman
Roger Lafontaine
Travis Austin
Martha Twombly, Alternate

HEBRON HERITAGE COMMISSION

Annual Report

Following the authorization of the Heritage Commission at the 2006 Town Meeting the commission was established by the Selectmen and members appointed. The members of the Hebron Heritage Commission are: John Dunklee, Mark Coulson, Lee Alexander, Howard Oedel, Sue Appleton, Alan Barnard and Ron Collins. Ron Collins was elected Chairman and Mark Coulson was elected Vice Chairman. The remainder of 2007 was used by the commission to understand how it was to implement its mandate "in accordance with RSA 673 for the proper recognition, use, and protection of resources, tangible or intangible, primarily man-made, that are valued for their historic, cultural, aesthetic, or community significance within their natural, built, or cultural contexts." As stated in RSA 674:44-a. The commission met with the Hebron Historical District board and with the Hebron Historical Society board to insure that there was no duplication of effort, and to see where and how the three groups complimented and helped each other. No further action was taken in 2006.

Respectfully submitted,
Ron Collins

HEBRON POLICE REPORT

The Hebron Police Department would like to thank all of the people in Hebron for their support in 2006.

2006 was the first year that we had a full time officer working with the part time officers and we had a measurable success. We were able to provide a much higher level of patrol, house checks and investigations.

This improved level of service included, multiple arrests and convictions of possession and transporting drugs, arrests for criminal contempt of court and other issued warrants.

We arrested multiple persons operating on our roads that were operating after suspension and or driving while intoxicated. These arrested subjects were convicted and their licenses suspended.

We investigated 6 thefts, 3 burglaries, 2 simple assaults, 3 criminal mischiefs and multiple harassment complaints.

We issued some 100 summonses on about 350 motor vehicle stops, the majority of these on the Mayhew Turnpike. During 2005 we had received multiple complaints from the residents regarding speeders on the Mayhew Turnpike and this year none.

We handled over 750 calls from our dispatch center (Grafton County Sheriff's office) to include 911 calls, animal complaints, and other items.

We have a "Mutual Aid Agreement" with all of the towns that abut the Town of Hebron and we support and receive support from them on a requested basis.

Both of our cruisers, the new Ford Explorer and the Chevrolet Tahoe are now fully equipped with the new "Car 54" program. This program was a grant to us and the equipment, to include an on board computer with programs, a state of the art high intensity light package, front and rear radar antennas and a new radar unit were installed at no cost to the town. The replaced radar units are being maintained as back up units.

Other grants this past year included a "saturation patrol" for mutual "same time" enforcement by Hebron, Bridgewater, Bristol and New Hampton on 3A. This program was very successful and will probably be offered again this year. We also received a grant that gave us literature and 50 helmets to give to the children who operate bicycles in town. We have received grants from NH Fish and Game to assist them with patrols on roads and trails to educate and enforce OHRV laws.

All of the Officers that are sworn in Hebron are also sworn officers in the Town of Groton. And we have set up a schedule with the full time officers so that we have an over lap in schedule between the two towns.

In order for the Hebron Police Department to better assist you; please remember to call the 911 line for all emergencies. The operator that answers the 911 call will make the determination as to who the call will be transferred to based on the callers input and will contact that agency. Any routine calls not for service should be to 744-5509. If one of us is not in the office to answer the call, our dispatch center will answer the call and will give the information requested or will contact the person you need to speak to.

Once again all of us in the Hebron Police Department thank you for your continued support and we welcome your suggestions to provide better service for Hebron and its residences.

Chief	Bill White
Sergeant	Travis Austin
Investigator Sergeant	Bill Gabler
Sergeant	Norm Willey
Weapons Officer	Harold Skip Reilly
Officer, Swat Officer	Bill Jolly

HEBRON FIRE DEPARTMENT

Annual Report for 2006

In 2006 the Hebron Fire Department responded to 159 calls. That compares with 160 for 2005 and 126 for 2004. The breakdown of calls shows 89 medical emergencies, 19 requests for mutual aid, 1 fire in a structure, 7 chimney fires, 11 alarm activations, 13 wires down, 1 brush fire, 6 investigations, 1 water problem, 7 service calls, 1 vehicle fire, 1 water rescue, 2 FOBs.

Of the 159 calls, 45 were in the Town of Groton. The Groton calls broke down into 34 requests for medical aid, 1 mutual aid, 3 chimney fires, 1 brush fire, 1 water problem, 1 vehicle fire, 4 wires down.

2006 was our first full year in the new Public Safety Building and the change from the past is amazing. Drive by the station during the day or the evening and you are likely to see vehicles in the parking lot and people working in the office or doing maintenance in the apparatus bay. Having a place to do business has enabled the department to keep pace with the ever increasing administrative requirements, especially on the medical side. We made progress on some of the items I highlighted in last years report. We made improvements in the maintenance office, purchased the stainless steel for the workbench top, installed the video equipment for viewing training programs, mounted maps and charts for use when the Safety Building becomes the Emergency Operations Center. But we are not finished yet. Next to the ambulance we are planning to install a counter and cabinets, for storage of medical supplies. The members of the department have put in a lot of time in 2006 making all this happen and I congratulate them on their fine job.

This year the department raised funds to purchase a new defibrillator. The goal was \$20,000. Certainly, this was an ambitious goal. About \$5,000 had been raised when the department received a \$15,000 anonymous gift. The new unit now enables us to do 12 lead EKG's which are very important to obtain in the field to assist the emergency room in diagnosing cardiac problems. We also received a special gift to purchase and install a module in the ambulance warning lights that changes the traffic lights on Tenney Mountain Highway giving the ambulance a green light in route to the hospital. This will be especially important since there may be as many as five traffic lights on that stretch of road in the future.

The Hebron Fire Department has benefited greatly from its participation in the Newfound Area Chiefs Association (NACA). Through NACA fire department members have had special training in NIMS (National Incident Management System) and ICS (Incident Command System) which are the methodologies which are used for handling the calls from a simple limb on the electric lines to major disasters involving multiple agencies in multiple jurisdictions. Each year the department participates in providing coverage for the triathlon, which is used as a training exercise for ICS which prepares us to better handle all emergencies.

Finally, I want to once again thank the community for its ongoing support for the department and its mission. And, let me thank the members of the department for their dedication and time.

Respectfully submitted,
John M. Fischer, Chief

REPORT OF FOREST FIRE WARDEN
AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forest & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local Fire Department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire’s forest resources. For more information please contact the Division of Forest & Lands at (603) 271-2214, or online at www.nhdf.org.

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local Fire Department and the state’s Forest Rangers by being fire wise and fire safe!

PEMI-BAKER HOME HEALTH & HOSPICE**2006 Annual Report to the Town of Hebron**

Pemi-Baker Home Health & Hospice strives to provide the citizens of Hebron with a multitude of services and programs. The goal of our services is to allow people to remain at home in a safe environment. Important initiatives during 2006 have been...

- Monthly Foot Care Clinic at the Plymouth Regional Senior Center for the purpose of grooming toenails and recommendations to physicians if necessary.
- Training of Hospice volunteers to assist our Hospice patients and families. We currently have 15 appreciated volunteers. Quarterly Education programs for the volunteers to enhance their knowledge.
- Participation in the Plymouth Regional High School's Licensed Nursing Assistant training program. Provided a six week internship in Home Health for the students. Member of the Board of Directors for the program.
- Annual Hospice Tree Lightings, hosted by Dresser's Unlimited and the Woodsville Bank. The Hospice Memorial trees honor past and present Hospice patients. A \$5.00 donation to the Hospice program gives the donor a light on the memorial tree in honor of their loved one.
- Held a Memorial Service at the Plymouth Methodist Church with family and friends of past Hospice patients to honor and celebrate the lives of these Hospice patients.
- Ongoing participation with Speare Memorial Hospital Wellness Series, including participation in Health fairs for the citizens of the Plymouth area.
- Member of the Community Disaster Planning Committee with other professional community members.

Our mission as a non-profit organization is to serve citizens of Hebron and surrounding communities with appropriate Homecare services. We appreciate and thank you for your ongoing loyal support of our services and our staff.

Respectfully Submitted,

Gail Lary, Executive Director

Board of Directors Representative: Hugh Sycamore

REPORT TO THE PEOPLE OF DISTRICT ONE

By Raymond S. Burton, Executive Councilor

It is an honor to report to the people of this large northern District in my capacity as Executive Councilor, one of several elected public servants. The five member Council was founded in the NH Constitution and much of NH law provides an additional avenue at the top of your Executive Branch of State Government.

2007 will be a year when members of the Council are charged with conducting public hearings on the State of New Hampshire 10-year transportation plan. With inflation affecting basic transportation costs, and presently no plan for an increase in the State gasoline tax, I don't look for any new projects becoming a reality. We'll be lucky to complete what is currently in the plan.

I continue to seek volunteers to serve on the 200 or so Boards and Commissions as prescribed by New Hampshire law. There are some great opportunities to serve your state government!

Send your letter of interest and resume to my office, or to Kathy Good, Director of Appointments/ Liaison to the Council, Governor's Office, State House, 107 North Main Street, Concord, NH 03301. Tel. (603) 271-2121. To find out what openings are available and to see a list of boards, visit the NH Secretary of State website at: www.sos.nh.gov/redbook/index.htm.

The NH website is very valuable for citizens. If internet is not available to you, use your local public or school library to go to www.nh.gov and find all state agencies, general court (representatives) and senate members, mailing addresses, and where legislative bills and proposals are. I send my weekly schedule to some 500 e-mail addresses that include town offices, county officials, district media, NH House and Senate members, and others. If you would like to be on that e-mail list please send your e-mail address to rburton@nh.gov. I often include other public notices and information.

It is an honor to continue to serve you now and in my 29th and 30th years as a public servant. Contact my office anytime about your ideas, concerns and problems with state government. I respond to all inquiries and challenges.

Sincerely,

Ray Burton,
Executive Councilor

2006 Report to the Towns

The TTCC staff would like to wish everyone a Happy & Healthy 2007.

We are grateful to all of the volunteers, sponsors, coaches and donors that helped to make 2006 a success. We offered some exciting new programs and fundraisers.

Here are just a few of the highlights:

- Newfound Biggest Loser I & II: A new program offered by Dan MacLean, Assistant Director. The BLI had five teams participate in this fitness challenge that includes a weekly weigh-in, healthy eating habits, increasing physical activity, and team competitions. The winning team receives a \$300 shopping spree at the Tanger Outlet Mall. The BLII session has 24 teams currently competing for the distinction of being the 'Biggest Losers'!
- Celebrating Our Stars: A recognition of community members that have gone 'above & beyond' in their volunteering efforts for TTCC programs, fundraisers or events has been implemented with three volunteers from Alexandria and New Hampton being recognized to date.
- CoachSmartNH: The TTCC was chosen as a pilot site for this new program developed by UNH & the New Hampshire Recreation & Parks Association. We have now trained over 50 coaches with a training that consists of a three hour workshop covering coaching philosophy, communication, planning and teaching of sports skills.
- Travel Raffle Club: This new fundraiser was created by Carolyn Monahan and has proven to be a popular and successful one. In 2006 we sold 150 tickets for trips to Vegas & Bermuda. This will continue with new trips every two months.
- Honorable Mention: Adult Indoor Soccer, Cardio Kickboxing, Junior Olympic Basketball Program, Trip to the USS Battleship Massachusetts

Some of the building projects completed this year included the purchase of a used commercial oven for the kitchen, new septic lines in the driveway, repainting of the nursery floor, and refinishing of the gym and upstairs floors.

The TTCC was the recipient of an HNH Foundation Grant to purchase equipment for physical fitness for elementary school children. With these funds we were able to purchase snowshoes, parachutes, balls, and soccer goals.

Last, but by no means least, was the hiring of a Program Assistant in June. Sarah Fitzgerald began her duties in July working at each of the summer camps and becoming familiar with the Newfound community. She is implementing new teen program activities, offering expanded after school program and brings tremendous positive energy to our youth.

In closing we wish to thank the residents of the Newfound Towns for your support of the TTCC. Come & recreate with us in 2007. The Benefits are Endless...

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.

Annual Report for 2006

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well being of our older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln, the information and assistance program Grafton County ServiceLink, and the Retired and Senior Volunteer Program and Volunteer Center (RSVP). Through the centers, ServiceLink and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, congregate dining programs, transportation, adult day care, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 2006, 42 older residents of Hebron were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center or Bristol Area Senior Services:

- Older adults from Hebron enjoyed 612 balanced meals in the company of friends in the Plymouth center's dining room.
- They received 1,123 hot, nourishing meals delivered to their homes by caring volunteers.
- They accessed medical appointments, the grocery store, the senior center or other services via our lift-equipped bus a total of 11 times.
- A Hebron resident benefited from our Plymouth Adult Day Care program a total of 679.5 hours.
- Older adults from Hebron received assistance – including Medicare D assistance-and help with problems, crises or issues of long-term care through 182 visits by a trained social worker or contacts with ServiceLink.
- Hebron's citizens also volunteered to put their talents and skills to work for a better community through 534 hours of volunteer service.

The cost to provide Council Services for Hebron residents in 2006 was \$23,826.

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars that would otherwise be expended for nursing home care. They also contribute to a higher quality of life for our older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Hebron's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Roberta Berner, Executive Director

NEWFOUND AREA NURSING ASSOCIATION

214 Lake Street, Bristol, NH 03222

Mission Statement: To promote health and provide therapeutic services for individuals and families in our community. Our services and programs are individualized to maximize outcomes and enhance quality of life in the community.

2006 Summary of Services

Skilled Nursing	3007
Physical Therapy	733
Occupational Therapy	527
Home Health Aide	4413
Homemaker	382
Social Service Visits	93
	9155

Outreach Programs:

Flu Vaccine Administration: Despite some confusion in acquiring vaccine, NANA immunized more than 470 patients and residents of the towns we serve. Our thanks go to the citizens of our member municipalities for their patience and who understood and cooperated in letting us serve the most of our frail and elder population.

Well Child Clinics: Monthly clinics were provided for physicals, immunizations, and nutrition and health education.

Hypertension Screenings: 263 Clients

Foot Care Clinics: 122 Clients

Multiple Sclerosis Support Group: Continues to support a monthly MS support group for our member towns and serves many in central New Hampshire. Run by a group of dedicated volunteers, it serves a very special group of patients in our region.

All Hazards Planning: NANA is now a participating member of the Regional Emergency Management System in working with town and state offices to prepare and execute immunization plans and other public health awareness programs. Our knowledge of special populations throughout the Newfound region is vital in planning for catastrophic events.

Federal and State Programs: We, along with other service providers in the health care industry, continue to be challenged with economic impacts of County, State and Federal budget issues. Our reimbursement rates continue to decline while patient activity rises as more and more care is delivered in the home setting. These issues present challenges to us to be more efficient and effective in our service delivery programs. We are always looking for skilled, motivated, and caring staff members who continue to represent us in caring for your neighbors and family members.

You can help us with suggestions as we continuously look for new ideas and programs that we can bring to our neighbors in the towns we serve. Our goal is expanding to increase the volume of programs that increase the overall wellness and health of all age groups. We also thank those who continue to support us in our several fundraising programs. Your consistency and willingness to help those less fortunate is deeply appreciated.

We will celebrate our 47th birthday in May of 2007 and look forward to continuing to serve the Newfound Area for many years to come. We are most thankful for your participation both financially and with your presence in volunteering in the many areas that help our clients and us be more effective.

Respectfully Submitted, Roger G. Nicholls, Jr. Executive Director

TRI-COUNTY COMMUNITY ACTION REPORT

Community Contact is the field service arm of the Tri-County Community Action Program. The purpose of this program is to assist low-income, elderly, and handicapped persons to solve individual problems and to meet their needs through individual and/or group self help efforts. C.A.P. staff accomplished this purpose by providing information, counseling and by effectively linking and utilizing community resources. If possible, we also may assist with Emergency Fund dollars in the form of vouchers.

CATEGORY	TYPE OF ASSISTANCE	SERVICE UNITS
1. FOOD/ HOUSING	Emergency food pantry/ Food Stamp referrals, Emer. Housing/ Sec. Dep. Loans, Tenant/ Landlord relations. Landlord lists	11
2. ENERGY	Elec. Disconnects, Fuel outages, Home repairs, Weatherization, Fuel wood, Heat source repair requests, Furnace issues	70
3. HOMELESS	Assistance to the homeless or those in imminent danger of being homeless	10
4. INCOME/ BUDGET COUNSELING	Employment/ job training referrals, Debt &/or money management, financial plan reviews, Welfare referrals	8
5. HEALTH ISSUES	Medicare/ Medicaid info/ referrals, Mental health, Dental, Substance abuse, Emer. Response Units, Breast Cancer Awareness	7
6. TRANSPORTATION	Area public transportation info., car pool info., Information re: Senior transportation for medical and other needs	14
7. OTHER ISSUES	Clothing Vouchers, Domestic Violence Program referrals, Legal Aide referrals, Children's Hat & Mitten Program	26
	TOTAL SERVICE UNITS	146

Hebron Gazebo Programs 2006

The 2006 summer programs at the Hebron Gazebo provided an interesting mix of styles and music for Hebron residents and visitors. Starting with the NH National Guard Band which was moved to the Safety Building in anticipation of the predicted storm which never happened, and ending with the cowboy music of Skip Gorman, which also took place in the Safety Building because a storm did take place, people were treated to the folk and bluegrass music of the Stockwell Brothers, swing and blues of the Mink Hill Band, big band sounds from East Bay Jazz, Dixieland from the Amoskeag Strummers, original music and easy listening from Hebron's own Paul Connor, and jazz from Jon Lorentz. On the rainy Family Fun Day, Todd Wellington, magician and funny man performed, a best dessert contest and cribbage tournament took place, and games were led by Tracey Steenbergen. The following week, the postponed fireworks were launched over the common to the delight of those who attended. The summer's events were also enhanced by the free popcorn donated by Bill White Realty and a fund raising barbecue put on by the Hardy Country Snowmobile Club and a Fire Department fund raising supper on Family Fun Day.

The programs were made possible by the tax payers of Hebron, private donations and support from the Northway Bank and Metrocast Cablevision. Gazebo Program Coordinators, Everett Begor and Jane Ramsay thank all the people who helped make the programs possible by contributing their time and efforts to set up and clean up after the events, make popcorn and make donations at the events.

The tentative 2007 series has been set with returning artists, The Wood's Tea Company, Odiako Japanese Drummers, The Buskers, and the Blake Mountain Band scheduled to come and The Bean Hill Bluegrass Band and the Adams one man band making their Hebron debut. There will be a Hardy Country Snowmobile Club Barbecue, Fire Department supper and a fun filled Family Fun Day, and of course, there will be fireworks to end the summer with a bang!

We hope you will bring your family and friends to the Hebron Common in 2007 to enjoy the free concerts and events with us. We look forward to seeing you there!

Respectfully submitted,

Jane H Ramsay

Everett N. Begor Gazebo Program Coordinators

LAKES REGION PLANNING COMMISSION

2005 – 2006 (FY-06)

The Lakes Region has changed tremendously in the past 25 years. Homes and businesses have expanded along major roadways, and many of our communities have experienced dramatic changes. This growth has resulted in a number of regional challenges. The Lakes Region Planning Commission (LRPC) is the area organization established to address the effects of growth at both the local and regional level. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services ranging from technical assistance, geographic information systems, and transportation planning, to land use and environmental planning, and economic development. Local, state, and federal resources primarily fund the LRPC. We are contacted several times daily for answers to local and statewide issues. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the governments, businesses, and citizens of the Lakes Region.

Listed below are some of the services performed on behalf of Hebron and the region in the past fiscal year:

- ❖ Prepared a preliminary report on Housing and School Enrollments in the Lakes Region with a final report due in the fall of 2006. Funding was provided in part by grants obtained by LRPC.
- ❖ Initiated a Virtual Agriculture Tour of the region: a pilot project designed to illustrate how the Internet and GIS can be used to identify and bolster agricultural activity.
- ❖ Completed and distributed the 2006 *Development Activity in the Lakes Region* report on the Lakes Region development trends. Prepared and distributed a development survey for 2006-2007.
- ❖ Planned and coordinated the 20th annual household hazardous waste collection in the Lakes Region. Two consecutive Saturdays were designated as collection days for 24 participating communities. An estimated 20,000 total gallons of waste were collected, containerized, and transported to EPA approved end-of-life locations around the country.
- ❖ Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in transportation planning and project development. The TAC advises the LRPC on transportation projects of regional significance.
- ❖ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues. Recent lectures included: Off-Site Extractions and Impact Fees; Balancing Municipal Interests and Private Property Rights; Ethics for Land Use Board Members; and Land Use Regulations: Constitutional Challenges and the Evolving Law of Variances. Also convened a regional meeting on the use of conservation subdivisions as an effective land use conservation tool.

- ❖ Secured funding from the NH Emergency Management Bureau to assist local communities with the preparation of all hazard management plans.
- ❖ Prepared a model steep slopes ordinance and a draft agricultural land preservation ordinance. Both are to be included in an innovative zoning guidebook to be released by the NH Department of Environmental Services in 2007.
- ❖ Awarded \$50,000 from the U.S. Economic Development Administration to prepare a Comprehensive Economic Development Plan (CEDS). LRPC will bring various stakeholders together to develop a regional vision and plan for regional economic progress. A completed CEDS will also provide communities with improved access to EDA funding for infrastructure and economic development projects, a benefit not currently available.
- ❖ Adopted the Lakes Region Bicycle and Pedestrian Plan; a planning effort that will help provide a blueprint for the location of regional and local bike and pedestrian routes.
- ❖ Conducted over 150 traffic counts around the region, in cooperation with the New Hampshire Department of Transportation (DOT). LRPC is also preparing and updating local road inventories, on a town-by-town basis, that will be used by the DOT.
- ❖ Participated on the Lakes Region Household Hazardous Product Facility board of directors to explore the ways and means that the facility may encourage communities to participate as members.
- ❖ Convened seven Commission meetings, including four area meetings, which featured a diverse range of topics ranging from a presentation focusing on how scenic views affect local property assessments, an update of LRPC's Regional Goals and Objectives which was accomplished with discussions and recommendations over the four area meetings and adoption in September of this year, an amendment to the Standing Rules and Procedures for the LRPC Transportation Advisory Committee, and an update on the recent achievements of the Northern Rail Trail in Merrimack County.
- ❖ Continue to represent the region on several boards and committees related to the economic and environmental well-being of the region, e.g., the Belknap County Economic Development Council, the Grafton County Economic Development Council, the Pemigewasset River Local Advisory Committee, the North Country Resource and Conservation Development Council, etc.
- ❖ Reviewed project proposals through the NH Intergovernmental Review Agreement that provides the region and local communities an opportunity to respond to applications seeking state and federal aid. LRPC reviewed many proposals having a combined investment total greater than \$15 million in the Lakes Region.
- ❖ Produced a calendar of critical deadlines for March Town Meeting, and distributed it via our website and regular mail.
- ❖ Ordered and distributed many copies of the NH Planning and Land Use Regulation books to member planning boards at considerable savings. Copies are provided to individual planning board members.

UNH Cooperative Extension-Grafton County Office

Northam D. Parr, County Office Administrator

Annual Report 2006

UNH Cooperative Extension provides New Hampshire citizens with research-based education and information and technical assistance, enhancing their ability to make informed decisions that strengthen youth, families and communities, sustain natural resources, and improve the economy.

Funded through the federal, state and county governments, and competitive grants, educational programs are designed to respond to the local needs of citizens, through direction and support of an elected volunteer Advisory Council.

Education programs and assistance are objective, informal and practical in nature, most are at no direct cost for participants. Clients' needs are met through phone calls, letters printed materials, hands-on workshops, on-site visits, seminars and conferences, and up-to-date web sites. Our staff is able to respond quickly with needed information via electronic mail, keeps up-to-date on the latest research and information, and works collaboratively with many agencies and organizations.

A professional staff of four educators and one specialist work out of the Extension Office located in the Grafton County Administrative Offices in North Haverhill. Another professional member works in Plymouth to provide nutrition education programs for limited-resource families and schools. Additional support is provided through trained volunteers who assist with Extension programs and increase our capabilities.

Educational Programs in Grafton County, FY06:

- To Strengthen NH's Communities: Community Conservation Assistance Program, Preserving Rural Character through Agriculture; Urban and Community Forestry, Community Youth Development; Volunteer Training (Master Gardeners, Coverts Cooperators, Community Tree Stewards, 4-H Leaders); Community Profiles.
- To Strengthen NH's Family and Youth: After-School Programs, Family Resource Management; 4-H/Youth Development; Nutrition and Food Safety Education; Parenting Education; Cradle Crier/Toddler Tale Newsletters; Volunteer Leader Training.
- To Sustain NH's Natural Resources: Dairy Management; Forest Resources Stewardship; Fruit Protection and Management; GIS Training; Lakes Lay Monitoring; Integrated Pest Management; Ornamental Horticulture; Insect and Disease Control; Vegetable Crop Production; Wildlife Habitat Improvement; Water Quality/Nutrient Management; Estate Planning and Conservation Easement Education.
- To Improve the Economy: Small Business Assistance (Forest Industry, Loggers and Foresters; Farms and Nurseries); Farm and Forest Product Marketing; Agriculture Business Management; Family Financial Management.

Extension Staff: Tom Buob, Agriculture Resources; Kathleen Jablonski, 4-H/Youth Development; Michal Lunak, Dairy; Deborah Maes, Family & Consumer Resources, Northam Parr, Forestry & Wildlife Resources; Robin Peters, Nutrition Connections; Educators are supported by Teresa Locke, Donna Milton and Kristina Vaughan at the Extension Office.

Extension Advisory Council: Sheila Fabrizio, North Haverhill, David Keith, North Haverhill, Shaun Lagueux, Bristol; Jane O'Donnell, Littleton; Debby Robie, Bath Carol Ronci, Franconia, Rep. Martha McLeod, Franconia, Denis Ward (Chair.), Monroe, Teen members include: Jacob Burgess, Bath and Faith Putnam, Piermont.

Extension Office Hours are Monday through Friday from 8 a.m. to 4 p.m.

Phone: (603) 787-6944 Fax: (603) 787-2009

Email: grafton@ceunh.unh.edu

Mailing Address: 3855 DCH, Box 5, North Haverhill, NH 03774-4909

Web Site: www.extension.unh.edu

Extension programs and policies are nondiscriminatory with regard to age, color, handicap, national origin, race religion, sex, sexual orientation and veterans' status.

Respectfully submitted,

Northam D. Parr
County Office Administrator

AUDITORS' REPORT

In planning and performing our audit of the Town of Hebron for the year ended December 31, 2005, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinions on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities caused by error or fraud, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We did not identify any material weakness in the Town's accounting systems and records. However we do feel it is important to discuss the following:

New Reporting Standard

In June of 1999, the Governmental Accounting Standards Board (GASB) issued Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. This statement drastically changes the way in which financial statements are prepared and requires additional information to be reported in order for the financial statements to be in compliance with accounting principles generally accepted in the United States of America. Statement No. 34 took effect for the Town of Hebron for the fiscal year ended December 31, 2004.

The Town has not implemented GASB Statement No. 34, but has presented the financial statements following the format that was in effect prior to GASB Statement No. 34. While we have conducted our audit following generally accepted auditing standards as we have in past years, we have issued an adverse opinion again this year because the financial statements are not presented following the model established by Statement No. 43. As described more fully in our audit opinion, the financial statements are missing several required statements and supplementary information, and the format presented does not follow Statement No. 34. The opinion does not mean to imply that the figures presented are incorrect, but that they are not presented in accordance with generally accepted accounting principles.

We recommend that the Town of Hebron take action to implement GASB Statement No. 34 as required by accounting principles generally accepted in the United States of America.

This report is intended solely for the information and use of management, the Board of Selectmen, and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.
